

GARBAGE BAGS & BIN LINERS

Our range of Garbage Bags and Bin Liners contain recycled content and are packed in 100% recyclable cartons to help reduce waste.

Contained in natural rubber bands*, these bags are printed with size and sustainability statements to assist staff with easy changeovers, reducing wastage and time spent refilling.

Durable, tear resistant and easy to store and dispense, Milestone Chemicals garbage bags are manufactured specifically for the commercial environment so you can trust they are **fit for purpose**.

KITCHEN TIDY BAGS

Best for use in small waste bins & swing/peddle bins, office bins, kitchens, hotel/motels & schools.
