## PRODUCT INFORMATION SHEET

# CARPETKLEEN

## Carpet & Fabric Stain Remover

### DESCRIPTION

CARPETKLEEN is a highly effective, powerful liquid detergent designed to assist in the removal of heavy foot traffic marks, grease spots, food and other domestic stains from carpets, rugs, upholstery, curtains, tablecloths and other fabric items.

Suitable for use in general cleaning of woolen and/or synthetic fibre carpets and fabrics. Low foaming and designed for manual application or through carpet cleaning machinery.

### DIRECTIONS FOR USE

#### DILUTION

**Machinery Use** - Use at the rate of up to 40ml per 1L of HOT water, depending on the degree of soil in the carpet and the hardness of the water used. The more soiled the carpet or the harder the water, the more CARPETKLEEN will be required for satisfactory carpet cleaning.

**Manual Use** - Can be diluted up to 75ml CARPETKLEEN to 750ml COLD water.

#### DIRECTIONS

**Machinery** - Follow machinery manufacturer's instructions, use detergents as directed by information provided.

**Manual** - Wipe up excess foreign matter from surface. Spray liberally over effected area and leave for approximately 1-2 minutes. Using a light blotting action, with a clean damp sponge or cloth, work from the outside of stain to centre. Rinse sponge or cloth regularly and repeat until stain is removed. Allow to air dry.

**NOTE:** Test for colour fastness in inconspicuous area prior to use. Old or badly stained areas may require additional applications.

Contains: Alkaline Salts 1-10%

**Concentrated: Proven effective results, economical**

ORDER CODE	PACK SIZE
CARPK750	750ml RTU
CARPK750	750ml RTU x 6
CARPK5	5L
CARPK5	5L x 3
CARPK15	15L
