PRODUCT INFORMATION SHEET

K55 LIQUID DETERGENT

Liquid Detergent Concentrate

DESCRIPTION

K55 LIQUID DETERGENT is a general purpose biodegradable detergent for all cleaning purposes, in soft or hard water.

K55 LIQUID DETERGENT is designed to clean greasy dishes, pots and pans, cooking utensils, glassware and cutlery. Can also be used on floors, walls and windows.

DIRECTIONS FOR USE

Dishwashing - 30ml for an average wash up, or 50ml for very greasy dishes.

Floors - Moisten a mop in a solution, 30-50ml in 5L of water. Mop off with clean portable water.

Walls & Windows - Moisten a cloth in a solution, 10ml in 5L of water. Buff dry with a clean dry cloth.

NOTE: When used in food manufacturing/preparation areas, rinse product contacting surfaces thoroughly with potable water after use.

K55 delivers excellent results - Economical, effective & multipurpose.

Milestone Chemicals Australia can provide expertise and hygiene solutions to enhance food safety and product quality. Our efficient, effective and practical approach ensures a sustainable and effective result in relation to plant, personnel and product hygiene.
