PRODUCT INFORMATION SHEET

KLEENQUAT

Surface Cleaner & Sanitiser*Formerly known as PROOF F&M*

DESCRIPTION

KLEENQUAT is a quaternary ammonium compound sanitiser. KLEENQUAT has a non-ionic detergent incorporated in the formula and therefore is an excellent cleanser in addition to being a disinfectant.

KLEENQUAT can be used with absolute safety in the food processing industry and is effective in hot, cold or hard water. Recommended for buildings and public places where positive bacteria control is imperative.

KLEENQUAT can be used in a wide variety of cleaning applications including the cleaning of food preparation areas, benches, table tops, cupboards, refrigerators, chairs and all surfaces determined as HACCP areas.

DIRECTIONS FOR USE

Spray & Wipe:

Cleaning & Sanitation - 18ml per 750ml bottle, fill with water (40:1).

Rinse all food contact surfaces with potable water before reuse.

Floor Mopping - 200ml to 10L of HOT water (50:1).

Direct contact with prescribed goods must be prevented and treated surfaces adequately drained and air dried before food processing operations resume.

**Contains:** Benzalkonium Chloride 6%

**Multipurpose
detergent & sanitiser**

ORDER CODE	PACK SIZE
