PRODUCT INFORMATION SHEET

LIQUID TANGO

Alkaline Machine Dishwashing Detergent

DESCRIPTION

LIQUID TANGO is a heavy duty alkaline detergent designed to release grease, oil, fat and food deposits from pots, pans, utensils, crockery and cutlery to leave them sparkling clean.

This product has been especially designed for use through automatic dispenser equipment and should not be used for any other purpose.

DIRECTIONS FOR USE

This product is designed for use through mechanical dishwashing equipment; the product is automatically dispensed; therefore, dilution rate is dependent upon the equipment.

Please refer to the machine manufacturer's instructions.

Closing the Loop

on Occupational Health & Safety Concerns

The unique design of Milestone Chemicals Australia's Closed Loop System (CLS) reduces the potential for chemical spills when handling products used through automatic dispensing equipment.

Why use a CLS?

- To ensure safe & accurate dosing
- Benefit from consistent cost-effective, efficient & measurable results

Contains: Potassium Hydroxide 10-30%

This effective, heavy duty detergent offers efficient dilution every time*
