PRODUCT INFORMATION SHEET

MILE-TECH

Machine Dishwashing Detergent

DESCRIPTION

MILE-TECH is a heavy duty non-caustic, alkaline detergent designed to release grease, oil, fat and food deposits from crockery and cutlery.

3.25% Available Chlorine ensures crockery remains brilliant white and will assist in tannin removal from cups and mugs.

Safe for use on Aluminum surfaces, excellent for in commercial pot-washing applications.

This product has been especially **designed for use through automatic dispenser equipment and should not be used for any other purpose.**

Contains: Available Chlorine as Sodium Hypochlorite 3.25%

Keeps crockery brilliant white & assists in the removal of tannin from cups and mugs

DIRECTIONS FOR USE

This product is designed for use through mechanical dishwashing equipment; the product is automatically dispensed; therefore, dilution rate is dependent upon the equipment.

Please refer to the machine manufacturer's instructions.

FREE 15L Drum Recycling

Available for Account Holders. Simply notify the driver when receiving your next delivery. T&C's may apply
