PRODUCT INFORMATION SHEET

MOSS-KLEEN

Moss & Mould Remover

DESCRIPTION

Designed for the removal of moss, mould, black fungi, algae and lichen from most exterior washable surfaces.

Simply dilute product to appropriate concentration and spray directly on to surfaces effected.

MOSS-KLEEN is designed to make moss and mould removal simple and easy.

- Non-Caustic
- Non-Acidic
- No bleach
- Spray-on & Leave On - No rinsing required!

DIRECTIONS FOR USE

MOSS-KLEEN Dilution Rates - Add 1 part MOSS-KLEEN to 5 parts water. 30 litres of product per 5 litres concentrate.

Spray solution directly onto effected surface and allow to air dry.

In areas where excessive moss, mould, black fungi, algae or lichen have formed, repeat process after 10-15 minutes. Spray effected area to point of saturation. DO NOT wash off.

Repeat application may be necessary after 4-6 weeks.

Contains: Dialkyl Dimethylammonium Chloride 10%

Excellent at removing moss from roof of vehicles
