PRODUCT INFORMATION SHEET

POT SCRUB

Heavy Duty Detergent

DESCRIPTION

POT SCRUB is a heavy-duty liquid detergent, designed to release grease, oil, fat and food deposits from aluminum-trays, cooking utensils, pots and pans.

POT SCRUB is non-caustic and designed for use in pot washing/scrubbing machinery.

This product has been especially **designed for use through automatic dispenser equipment and should not be used for any other purpose.**

DIRECTIONS FOR USE

Refer to manufactures instructions and add POT SCRUB to HOT water wash, in the recommended proportions.

This product is designed for use through mechanical pot washing/scrubbing equipment; the product is automatically dispensed, therefore dilution rate is dependent upon the equipment.

NOTE: This product is NOT designed as a manual sink wash detergent and as such should be used as specified above.

Contains: 10-30% Alkaline Salts.

Works effectively to remove grease, oil & fat
