## PRODUCT INFORMATION SHEET

# Foam NP

## Non-Perfumed Foaming Hand Wash

### Description

Antibacterial foaming hand wash containing skin emollients and antibacterial properties. Cleans, softens, and protect skin against cracking and drying.

Appropriate hand hygiene techniques and procedures assist in reducing cross-contamination potential, whilst antibacterial properties provide protection against harmful bacteria.

***Good hygiene is one of the most effective ways to prevent the spread of germs, viruses, and bacteria.***

### Directions for Use

To unlock pump, turn pump anti-clockwise. Depress pump for instant foam, ensure product is used in conjunction with water.

Wash hands thoroughly for a minimum of 20 seconds, paying attention to all parts of your hands and fingers. Rinse and dry immediately.

*This product is compatible with PREMIER by MILESTONE dispenser range, also available in convenient, stylish and refillable 500ml PREMIER bottle.*

**Convenient size, complete with foaming pump**
