PRODUCT INFORMATION SHEET

VINAKLEEN

Vinyl Rejuvenator & Protector

DESCRIPTION

VINAKLEEN is designed to clean, protect and shine vinyl, rubber and plastic surfaces. Restores shine and enhances colour on dashboards, bumpers, window trims and door panels.

Beautifies, cleans & restores all leather & vinyl upholstery in cars, trucks and coaches bringing all the trimmings to life.

Regular treatment will guard against items cracking & becoming dull.

Can also be used in the home for all vinyl furniture, luggage, shoes and sporting equipment.

DIRECTIONS FOR USE

Ensure the surface to be treated is thoroughly cleaned and dried before application.

Spray VINAKLEEN on to the clean dry surface, spread with dry cloth and allow time to dry before polishing surface with soft dry cloth.

Repeat this action to enhance the surface if required.

It is recommended that VINAKLEEN be used regularly to protect and preserve the rejuvenated surface.

NOTE: Do NOT use on floors, vehicle controls (steering wheel, pedals, etc.), bench or cycle seats and other surfaces where slipperiness may cause hazard.

Effectively preserves & rejuvenates surfaces, whilst providing a quality shine
