

Grout Brush & Handle

Unique V-Shaped Bristles

DESCRIPTION

Grout Brush with Handle is a professional-grade cleaning tool designed for fast, effective grout cleaning in tiled areas. Its unique V-shaped bristle head, swivel design, and durable handle make it a standout product for both household and commercial use.

FEATURES

- Unique V-shaped bristle head: Targets grout lines directly, penetrating deep into grooves to lift dirt, grime, and buildup.
- Stiff chiseled bristles: Heavy-duty bristles break down tough stains and embedded dirt for thorough cleaning.
- Swivel head mobility: Flexible design allows easy maneuvering around corners and tight spaces.
- Durable construction: Built for regular household cleaning and professional environments, ensuring long-lasting performance.
- Versatile applications: Perfect for bathrooms, kitchens, tiled floors, and outdoor tiled areas.

Swivel Head for EASY MOBILITY
