

# Neoprene Floor Squeegee

## Flexible Double-Sided Neoprene Blade

### DESCRIPTION

The neoprene squeegee is designed for smooth to semi-smooth floor surfaces such as tiled areas, making it an excellent choice for environments where quick drying and hygiene are essential.

Its soft, flexible, double-sided blade contours easily to uneven floors, ensuring thorough water removal and a streak-free finish. This makes it particularly suitable for facilities, and other areas requiring efficient cleaning.

Durable yet adaptable, the neoprene blade provides reliable performance while being gentle on surfaces, offering both practicality and long-lasting use.

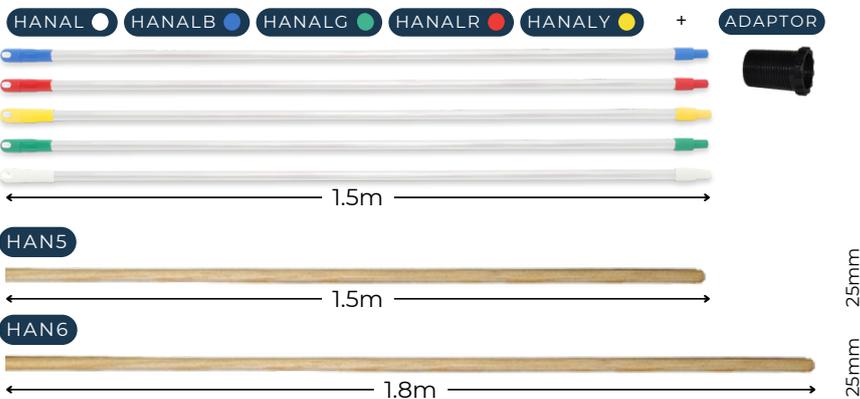

SUITS: SMOOTH TO SEMI-SMOOTH SURFACES LIKE TILED FLOORS.

### FEATURES

- Soft, flexible blade: Conforms to floor contours for effective cleaning
- Double-sided design: Extends usability and efficiency
- Quick drying: Ideal for uneven or tiled surfaces

### Suits Edco 25mm Handles

Available in 45 cm, 60 cm, and wide 90 cm complete units. Replacement neoprene refill blades are also available
