

Scrub & Clean

Microfibre Velcro 40cm Pad

DESCRIPTION

Designed to scrub and clean your floors and leave them dry in the shortest possible amount of time. The quicker a floor can be left dry, the less residuals will be left behind, hence making your floor stay cleaner longer.

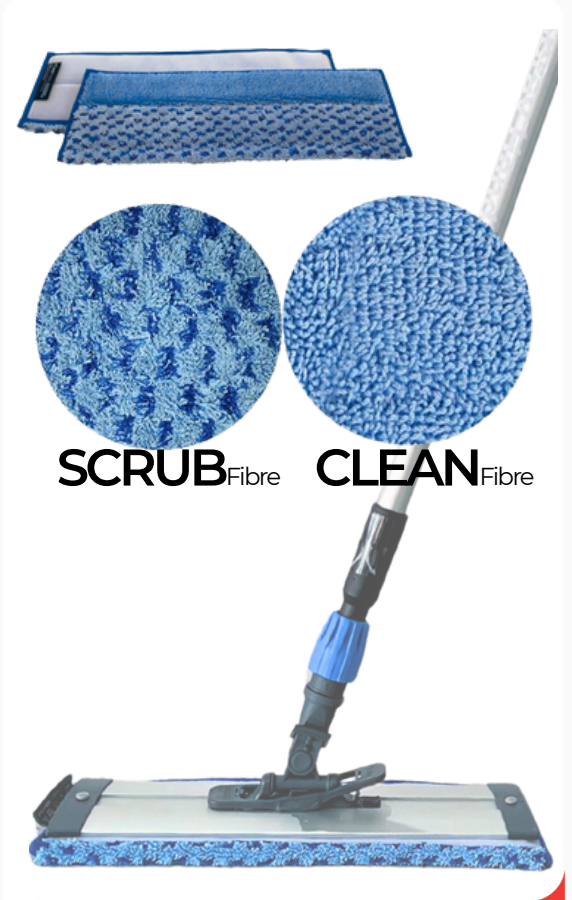

This **DUAL FIBRE** microfibre mop scrubs the floor first and then cleans it leaving micro droplets of solution to evaporate and leave your floors dry within 1 minute.

Scrub & Clean Mop covers, contain microfibre cloths inside the mop which help to hold up to 500mls of picked up solution. This keeps the surface of the mop on the floor drier at all times.

Colours Available: **BLUE, RED, YELLOW & PURPLE**

FEATURES

- Folded front edge for scrubbing corners
- Dual fibre scrubs and cleans without drag
- LongLife Velcro backing
- Suitable for vinyl and tile floors as well as walls
- Can be washed at 95 Degrees Celsius
