

PRODUCT INFORMATION SHEET

CHLOROPHOS

Germicidal Detergent Powder

DESCRIPTION

CHLOROPHOS is a fast-acting, low-foaming germicidal detergent powder specifically formulated for the food processing industry.

It cleans, sanitises and deodorises in one operation, helping to eliminate odours while providing effective cleaning and sanitation.

DIRECTIONS FOR USE

- For cleaning and sanitising at 300ppm available chlorine, dilute as follows:
- 1kg CHLOROPHOS per 90L water
 - 500g CHLOROPHOS per 45L water
 - 20g CHLOROPHOS per 1L water

Due to its low-foaming characteristics, CHLOROPHOS may be used through a steam cleaner or pressure washer.

NOTE: When using CHLOROPHOS in food and meat processing establishments, rinse all contact surfaces with potable water after application.

Contains: Chlorinated Trisodium Phosphate >90%

Fast acting, germicidal, low foam & odour eliminator

Milestone Chemicals Australia can provide expertise and hygiene solutions to enhance food safety and product quality. Our efficient, effective and practical approach ensures a sustainable and effective result in relation to plant, personnel and product hygiene.
